

KAMALESH K

ASPIRING SOFTWARE DEVELOPER

+91 7904721560 | ebikamalesh@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFILE

Final-year Computer Science Engineering student and aspiring software developer with hands-on exposure to software and hardware mini projects. Interested in building practical applications, strengthening programming and web development skills, and learning modern development tools. Quick learner with problem-solving, teamwork and communication skills.

TECHNICAL SKILLS

Programming: Java, Python

Web Development: HTML, CSS

Currently Learning: JavaScript, Java Servlets, SQL, Git & GitHub

Tools: GitHub, Arduino IDE

Soft Skills: Communication, Team Collaboration, Time Management, Problem Solving

PROJECTS

Smart Dustbin System | Hardware Mini Project

- Developed an automated smart waste-management prototype for efficient bin operation and reduced manual interaction.

Technologies: Arduino Uno, Ultrasonic Sensor, Servo Motor, Arduino IDE

Solar Tracking System | Hardware Mini Project

- Developed an automatic solar tracking prototype that follows sunlight direction to improve solar energy utilization.

Technologies: Arduino Uno, LDR Sensors, Servo Motor, Solar Panel, Arduino IDE

File Malware Detection Using LLMs | Software Mini Project

- Developed a software project focused on analysing files and identifying potential malware threats using LLM-based techniques.

Technologies: Python, Large Language Models (LLMs)

INTERNSHIP

Software Tester Intern - AAHA Solution Software Company

- Gained basic exposure to software testing concepts and worked on a Time In / Time Out check-in project.

EDUCATION

B.E. Computer Science and Engineering - IFET College of Engineering (Autonomous) | 2023-2027

CGPA: 8.41

HSC - Computer Science - Kuyilappalayam Higher Secondary School | 2022-2023

Percentage: 88.1%

CERTIFICATION

- CCNA Networking Course - Certificate issued by Cisco.

LANGUAGES

English, Tamil
